Employment and Leadership Experience

Federal Reserve Bank of New York, New York (1995 to present).

Financial Research Advisor, Research Group. Senior Vice President, Research Group Policy Leadership. Prior positions include Head of Global Economic Analysis, Integrated Policy Analysis Group; Director of Center for Global Banking Studies, and Head of International Research Function.

Main responsibilities include: advising on policy and strategic priorities; extensive research, policy analysis, and public speaking on global banking, international capital flows, international roles of currencies, dollar liquidity facilities and global macroeconomics and risks; leadership of Economic and Financial Conditions Forum, a cross disciplinary and inclusive venue for discussing current topics of interest; extensive collaboration across domestic and foreign institutions, including by representing the Federal Reserve Bank of Bank of New York at the BIS Committee on the Global Financial System; Executive Sponsor of the WoMEN's employee resource network; Head, Research Group Senior Recruiting Committee; Mentor.

International Banking Research Network, Co-Founder and Co-Chair (since 2012). Lead large analytical network across central banks and international institutions which addresses policy-relevant issues around globally active banks. Network members jointly identify analytical topics, common methodology for analysis of national bank-level datasets, and share knowledge and results.

Responsibilities span full spectrum of network leadership, analytical content, meta analysis of results and dissemination to policy and academic communities. Topics explored include monetary and prudential policy spillovers through global banks, liquidity risks and bank credit extension, and banking organization complexity and risk.

CEBRA (Central Bank Research Association). Chair of the Americas Chapter (from 2022), Officer and Advisory Committee Member (from 2018) of International Finance and Macroeconomics Program (2015-present).

Technical Adviser (from 2018), Bank for International Settlements (BIS, Basel, Switzerland). Visiting Central Bank Research Fellow (2015-2017)

Board of Governors of the Federal Reserve System, Washington.

Visiting Officer, Division of International Finance (2008-2009).

Princeton University, Princeton NJ. Visiting Professor (2010, 2007, 2005); Department of Economics, Bendheim Finance Program, Woodrow Wilson School.

University of Pennsylvania, Philadelphia PA. Visiting Professor, Department of Economics.

New York University, New York. Assistant Professor, Department of Economics.
